

For Immediate Release

Daubert Cromwell Names Northeast Regional Sales Manager

ALSIP, IL – Peter Cooper of suburban Philadelphia has been named to the position of Northeast Regional Sales Manager for Daubert Cromwell, a global manufacturer of corrosion inhibitor packaging products.

Cooper, 42, is the newest addition of experienced, technically trained Sales Managers that help solve corrosion problems in metalworking industries where protecting metal parts is critical, including automotive, heavy equipment, and fabricated metal parts in all stages of storage and shipment.

Cooper will use his extensive background in technical sales and service to provide VCI product training, application assistance, on-site service and product selection evaluation in proper packaging of metal parts at all stages, from production to export. He will work with industries in a geographic territory that includes New Hampshire, Massachusetts, Vermont, Maine, Rhode Island, Connecticut, Maine, New Jersey, eastern New York and eastern Pennsylvania, plus Canada provinces of Quebec and Newfoundland.

He can be reached direct at 484-643-0039 or pcooper@daubertcromwell.com.

About Daubert Cromwell

Since the 1940s, the Daubert companies have set industry standards in corrosion prevention packaging. Today Daubert Cromwell VCI products are used in automotive, heavy equipment, electronics, military, and fabricated metal markets worldwide.
