**Key Accounts Manager Appointed at Daubert Cromwell**

ALSIP, IL -- Ben Ellsworth of Aurora, IL, has been named to the new position of Key Accounts Manager at Daubert Cromwell, a global manufacturer of corrosion inhibitor packaging products.

Ellsworth will work with Daubert Cromwell's international sales team to help solve key customers' corrosion issues at all stages, from initial production of fabricated metal parts to export shipment of finished assemblies and equipment.

He will also be Regional Sales Manager for Southwest and West states, working with customers from Texas to Washington to meet their corrosion prevention requirements.

Ellsworth has a broad background in technical/sales engineering, key account management, new product development, marketing and selling at all levels of business. He brings to his new position extensive experience in developing, manufacturing, and selling specialty papers for various commercial and industrial applications, particularly in the furniture market.

At Daubert Cromwell, he will join the Sales/Marketing team to provide product training, technical evaluations, on-site service and selection assistance for VCI packaging products and methods.

He can be reached at company headquarters in Alsip, IL, at 800-535-3535, ext. 137, or [bellsworth@daubertcromwell.com](mailto:bellsworth@daubertcromwell.com).
